“Change for Change”

Dear Friends, sadaqah (charity) has many benefits. It purifies our wealth, softens our heart & brings down Allah's mercy. Charity, like all deeds, must be done with sincerity and not for “name & fame.”

Our goals for this month:

- ★ Introduce a “Sadaqah” collection tin in your class.
- ★ Read a few Ahadith every week in your class from the book “Virtues of Charity”
- ★ Each class should choose a worthy individual or organisation to donate their collection tin to.

Your pocket change can make a difference to someone's life

Change is Happening. Be Part of It.
